Varsity Correspondent

Bangladesh Chhatra League (S-P) and Jatiyatabadi Chhatra Dal (JCD) brought out processions and held separate rallies on Dhaka University campus on Friday welcoming the admission seekers.

BCL (S-P) at its rally held at historic Battala of the university blamed President Abdur Rahman Biswas for conspiracy against the Constitution and the countrymen.

BCL leaders said that the BNP would certainly be defeated in the coming general election and for this reason it was hatching conspiracy. "We have ousted Begum Khaleda Zia from the power for her corruption and misrule," the BCL leaders said and added that in future any kind of conspiracy against the country would be foiled by Chhatra League members.

The BCL (S-P) member said that the students and people of the country took part in the movement and even sacrificed their lives for implementation of caretaker government but the BNP and President Abdur Rahman Biswas made caretaker government inactive by hatching conspiracy.

The rally was addressed, among others, by BCL General Secretary Ishaq Ali Khan Panna, Md. Rafiqul Islam Rafiq, Nurul Amin Kotal, Bahadur Bepary and Abdul Woadud Khokon.

Jatiyatabadi Chhatra Dal (JCD) at its rally held at Aparajeyo Bangla of the university said that the BNP government had taken up various uplift programme during its regime but different political parties including Awami League, Jatiya Party and anti-liberation forces, Jamaat-e-Islami foiled the BNP's development programme by calling frequent hartal and strike. Those political parties were doing politics of destruction, they said and added that so the countrymen should vote for BN as it was doing politics of development.

The rally was addressed, among others, by Moniruzzaman Monir, Nasiruddin Washim, Monwar Hossein Rana, Tariqul Islam Bony, Abdul Khaleq and Bibakananda.
