Students face problems

98 posts of Pry. teachers vacant in Netrakona

NETRAKONA, Jan. 8 :— As many as 98 posts of primary school teachers have been lying vacant for a long time in all the ten upazilas of the district hampering seriously the implementation of universal primary education programme, reports UNB.

According to informed sources, the quota of teachers in government primary schools in the district was not maintained properly. Some schools with a large number of students are facing problems due to shortage of teachers while many schools having no requisite number of students have excess of teachers.

It is alleged that the school authorities under pourashava area have been maintaining false attendance to show large number of students.

a section of middlemen has been purchasing paddy from the growers at Tk. 185 to Tk. 195 per maund as against the government rate of Tk. 225 per maund with carrying cost bonus.
