Varsity colleges to award degrees

DHAKA, Sept 8 (BSS) : In order to ease pressure on existing universities and to expand the scope of post graduate studies, it has been decided that five university colleges in four divisions will be strengthened and upgraded to enable them to award Bachelor and post- graduate degrees in the near future.

This was decided at the monthly meeting of the Vice Chancellors held at the International Conference Centre here this morning with President Hussain Muhammad Ershad in the chair.

The meeting discussed the question of preparing Bengali-tox books for the higher classes and decided that all the universities should take necessary steps so that a large number of books in Bengali is made available to the students.

The President asked the University Grants Commission (UGC) to examine the special requirements like manpower and other things of the institutions namely, Home Economic College, Leather College, Music College, Art College of Chittagong, and Ceramic Institute and prepare a report for consideration by the Vice Chancellors' Committee.

President Ershad, who is the

Chancellor of Universities, was happy to note that because of not allowing SSC examination centre below upazila headquarters, unfairmeans in the examination was checked to a great extent.

The President noted that the academic atmosphere in the universities was improving gradually.
