

International seminar on education

A six-day international seminar on 'Education and Training' will be held in Dacca from November 26 to 31 under the joint auspices of UNESCO Regional Office of Science and Technology, New Delhi and the Association of Engineering Education for South and Central Asia (AEESCA) with the active collaboration and cooperation of Bangladesh University of Engineering and Technology, Dacca and Bangladesh National Commission for UNESCO, says a Press release.

Members from the regional countries of South and Central Asia — Afghanistan, Bangladesh, Burma, India, Iran, Mongolia, Nepal, Pakistan, Srilanka and USSR will attend the seminar and present their country paper. Besides, representatives from several national and international agencies are also expected to attend the seminar as observer.

The Seminar will be inaugurated by Prime Minister Shah Azizur Rahman at a local hotel while the technical sessions will be held at the seminar hall of Bangladesh University of Engineering and Technology, Dacca.
