

UNESCO Commission work reviewed

A meeting of the Bangladesh National Commission for UNESCO was held under the presidency of Prime Minister Shah Azizur Rahman at the Secretariat Cabinet Room on Saturday, reports BSS.

It reviewed the activities of the UNESCO Commission in the field of education, culture and related areas.

The meeting decided specific measures for strengthening such activities in the country. It was decided that the commission and its various organs and secretariat will be reconstituted with a view to enhancing its capability.

It was attended, among others, by all Vice-Chancellors of universities, Chairman, Grants Commission, leading educationists and senior officials of various ministries.
