Students asked to acquire knowledge

President Abdur Rahman Biswas called upon the student to equip themselves with knowledge and technology to face the challenges of the century, reports UNB.

He was talking to a delegation of the Newly-elected office-bearers of Pirojpur Government Shaheed Suhrawardy College Student Union and District Jatiyatabadi Chhatra Dal at Bangabhaban Monday.

Talking to them, President Biswas said, the country would require their dedicated services for its development and welfare of the people.

The President referred to the contributions of the students community to overcome various national Problems in the past. "Unless you are sufficiently qualified, you can neither succeed in life nor you can help solving the national problems" he added.

President Biswas advised the student to devote themselves to studies and maintain congenial and peaceful atmosphere in the educational institutions.
