APSU lathi procession today

DHAKA, BSS: The All Party Students Unity (APSU) reaffirmed its determination on Saturday to lead a lathi procession to Gulshan on Sunday demanding immediate shifting of ousted President Ershad to Dhaka Central Jail from the Gulshan house where he is now interned.

To mount greater support for their Sunday's march towards Gulshan and to gherao the house of internment, the APSU Saturday brought out a procession in the Dhaka University campus and held a brief rally at DUCSU Bhaban premises.

The speakers at the rally reiterated their demand to arrest the associates of Ershad and the armed hoodlums and commissioners under Dhaka Municipal Corporation backed by his corrupt ministers and who are still at large to make the forthcoming elections free and fair.

The rally was addressed by APSU and Jatiyatabadi Chhatra Dal leader Fazlul Haq Milon and General Secretary of Jatiya Chhatra League S. M. Kamal Hossain.

Milon demanded that Ershad be sent to Dhaka Central Jail from his present internment, adding that people wanted to see him in jail, not interned in a luxurious house, incurring heavy state expenses. He also called upon the interim government to take steps for full recovery of arms from the country before the parliamentary polls.
