Campus terrorism to be tackled, says VC

Prof. Mr. Maniruzzaman Miah, Vice-Chancellor of Dhaka University, on Thursday said that the academic atmosphere of the university should be maintained and campus terrorism would be tackled by keeping the university open, reports BSS.

While addressing the Eid-reunion and freshers' reception of the Department of Geology of the University, the Vice-Chancellor said it would not be possible to solve any problem by closing the university.

Regarding the session jam, Prof. Maniruzzaman said numerous problems were created in the university due to the jam.

He said combined efforts should be made to get rid of the course or session jam.

Appreciating the role of teachers in this regard, he said the situation has registered some improvement.

The Vice-Chancellor said, the University authorities were committed to helping the teachers and students in solving the problems.
