## New students organisation formed

DHAKA, Dec 20 (UNB): Two splinter groups of Biplobi Chhatra Manch and Chhatra Oikyo Forum on Wednesday launched a new student organisation.

The new body styled "Ganatantrik Chhatra Ekota" will be based on Marxist-Leninst ideology, said its leaders at a Press conference at DUCSU Bhaban on Wednesday.

A 15-member convening committee with Harunur Rashid as convener has been formed.

In a written statement Harun said that his group would fight for a democratic educational institutions system in the country.

He alleged some student organisations are involved in terrorism in education in the name of democratic movement.

Harun called upon the students to get rid of all "left hypocritic groups" engaged in political terrorism and carry forward the student movement under the guidance of his newly floated organisation.
