Release of APSU leaders demanded

The All-party Students' Unity (APSU) on Friday brought out a procession on the Dhaka University campus demanding the release of APSU central leader and convenor of Ganatantrik Chhatra Kandra, Harunur Rashid, and a central member of the organization Ruhul Amin Farooq, reports BSS.

A brief rally was held at the DUCSU building premises following the procession. It was addressed by APSU central leaders Shafi Ahmed and Raju Ahmed.

Demanding release of APSU leaders, the speakers said the students' community would not tolerate arrest of the APSU leaders with false cases and release of Shah Moazzem, one of the corrupt associate of General Ershad.

A protest rally and procession will be held today (Saturday) at 10 A.M. on Dhaka University campus.
