University Central Students Union (DUCSU) polls. A handful of non-students are trying to disrupt the DUCSU election by raising unjust demand for admission of non-students to Dhaka university, it added.

Held at the foot of Aparajeya Bangla, the rally was addressed by Nazimuddin Adam, Assistant General Secretary of DUCSU and Fazlul Huq Milon, Joint Convener of JCD. Such demands cannot be accepted by the students, JCD leaders asserted. They stressed the need for resisting any design by any quarter. They further said that they would accept the verdict of the students in DUCSU election. Earlier JCD brought out a big procession which paraded throughout the campus chanting slogans against those conspiring to foil the election.

Different student organisations on Sunday called upon the university authorities to announce the new date for holding DUCSU polls and to allow special admission for senior student leaders to provide opportunity to contest the polls.

The student organisations made the call from separate rallies held on DU campus.
