discussions with the State Minister for Education Prof Eunus Khan on various demands, reports BSS.

The State Minister sought co-operation of the teachers for overall development of the country's education system. He assured the leaders of the association to solve their problems in phases.

The association, having a membership of nearly 2500 has been abstaining from work since September 30 for the materialisation of its 12-point demands that included better remuneration and promotion.

Education Secretary A N M Eusuf and Director General, Secondary and Higher Education Board Dr Mozammel Haq assisted the State Minister during the discussion.

Kamal Ataur Rahman and Omar Farooq, President and Secretary General respectively of the association led the discussion from the teachers side. Abdus Samad, Publicity Secretary was, among others, present on the occasion.
