DU reopening demanded

Varsity Correspondent

Dhaka University Education Action Committee (DUEAC) on Monday submitted a memorandum to the Speaker of the Jatiya Sangsad demanding immediate reopening of the University and restoration of congenial academic atmosphere on the campus.

In the memorandum DUEAC said that some of the student organisations had long been creating violence on the campus only to establish their political supremacy on the campus.

They appealed to the Government and leaders of the political parties to extend their allout support for permanent solution to the problem.

Earlier, DUEAC brought out a procession to the Parliament from Dhaka University but police intercepted the procession near Bangla Motor. Later a five-member delegation went to the Parliament and handed over the memorandum to the Speaker. Speaker Abdur Rahman Biswas gave a patient hearing and assured them that he would take necessary steps for solving the problem.
