## Eden Girls college closed sine die

The Eden University Girls College was closed down on Sunday for an indefinite period, reports UNB.

Announcing this the authorities said the decision to close the college was taken in view of the unavoidable circumstances prevailing there during the past few days.

Students of the college have been agitating to press for the realisation of their 13-point demands which include removal of the Principal.

However, examinations will be held according to earlier schedule, authorities maintained.
