## Strike in Ctg colleges

CHITTAGONG, Nov 27  
(UNB): Strikes were observed today in some educational institutions of the Port City at the call of Islami Chhatra Shibir demanding that some of their fellow students should be allowed to sit for examination of Polytechnic Institute.

The Shibir also gave a fresh call of a day-long strike in the port city on November 30 to press for their demand.

They alleged that some of their supporters were not allowed to fill up examination forms due to obstruction caused by some Jatiyatabadi Chhatra Dal activists.
