led by VC Prof Kazi Saleh Ahmed also called on the Education Minister at his Secretariat office here Sunday afternoon.

The Education Minister, in another function, called upon the scientists to invent new technology appropriate for our land and climate with the spirit of nationalism.

He was addressing the scientists during his visit to Bangladesh Council for Scientific and Industrial Research (BCSIR) and Bangladesh National Scientific and Technical Documentation Centre (BANSDOC) in Dhaka on Sunday afternoon. Secretary of the Science and Technology Division Mr Anisur Rahman was present.

### GEP

Meanwhile, Education Secretary ANM Yusuf said at least 10 thousand teachers, most of them women will be employed in primary schools during the Fourth Five Year Plan under General Education Project (GEP).

The GEP, estimated to cost over the 1100 crore, is the single largest foreign aided project in Bangladesh.
