Teachers urged to work with sincerity

RAJSHAHI, Dec. 5: State Minister for Land Kabir Hossain Wednesday called upon the teachers to work with sincerity and dedication imbued with the spirit of patriotism to make the mass education programme a success, reports RSS.

Speaking at a seminar on "mass education" at the local Zila Parishad auditorium he said Shaheed President Ziaur Rahman

had launched the programme so that the people could become aware of their rights.

Organised by Rajshahi Primary School Teachers Association the seminar was addressed, among others, by Mayor of Rajshahi City Corporation Mizanur Rahman Minu.

Nearly five hundred primary school teachers of the city and Pabna upazila attended the seminar.

The State Minister, who was the chief guest, said the present government would undertake the mass education programme extensively.

Mr. Kabir Hossain said the teachers community could play an important role to remove the curse of illiteracy from the society. Referring to the problems in the education sector the State Minister said those grew over a long period and could not be solved overnight.

He, however, said that the present democratic government would do its best to solve those problems in phases.
