LGED constructs 237 primary schools in Netrakona dist

NETRAKONA, Mar 30: Local Government Engineering Department (LGED) Netrakona constructed 237 primary schools in the district during fiscal 1993-94, reports BSS.

An official source said of the

total 106 are government primary schools and 131 non-government registered primary schools.

Besides LGED supplied wooden-furnitures including chair, table, bench, desk and blackboards to the schools. Government sanctioned taka 12 crore for the development and supply of the furnitures to these schools, the official source added.

MEETING

Another reports: A meeting of Netrakona District Development Co-ordination Committee was held at the conference room of Deputy Commissioner recently.

Presided over by the Deputy Commissioner Mr. Dewan Ahsaruddin, the meeting reviewed the progress of work of different development projects taken in the current financial year.

District level officers and Thana Nirbahi Officers (TNOs) from all the ten thanas attended the meeting. The meeting also adopted some resolutions to gear up development works.

ABSCONDER ARRESTED

BSS further adds: Netrakona police arrested one absconder from his village home at Kandulia about 3 kms from here, police control room sources said.

According to the sources

this man was wanted by Purbadhal police station in connection with several dacoity cases since a long time. He was sentenced to seven years rigorous imprisonment by a court recently.

Acting on a secret information police cordoned a number of houses and arrested him.
