ing the last year and expressed the hope that the country would be free from the curse of illiteracy by the next five years.

He said the functional education would enable one to read newspapers, writing letters and keeping accounts of the family.

The Prime Minister welcomed the Shishu Bitan and Adult Education Centre for its role imparting education to the children of the lower class employees and providing adult education to the unlettered. He said the government would extend co-operation to this organisation for these activities.

Shah Aziz stressed the need for a total change in the education system keeping in view the needs of the modern age of science and technology.
