Help root out curse of illiteracy

Khulna office

KHULNA, Sept. 23 :--Mr. Mostafa Zaman Abbasi, district Governor, Rotary International District-328, called upon the people to co-operate with the rotarians in their fight against eradication of illiteracy and child diseases from the country.

Talking to the local journalists at a local hotel recently, the Rotary Governor dwelt at length on various programmes launched in the country by the Rotary Clubs of Bangladesh to save the country from curses of illiteracy and child diseases particularly polio and sought public co-operation for the success of these programmes.

The office-bearers of Rotary Clubs of Khulna were also present during the discussion.

Later Mr. Abbasi attended a regular weekly meeting of the Rotary Club of Khulna at a local club and addressed the rotarians. Mr. Asaduzzaman Bhuiya, Deputy Commissioner, Khulna spoke at the function as chief guest.
