Literacy Day observed

DHAKA, Sept 8 (UNB) : A chain of discussion programmes on the need and impact of education in our life marked the observance of International Literacy Day in the capital today.

The Day has been programmed by the United Nations to create worldwide mass awareness against illiteracy.

President Hussain Muhammad Ershad in a message on the occasion called upon the educated section of the society to make sincere efforts to supplement the government programmes to free the nation from the curse of illiteracy.
