## Maijdee schools beset with manifold problems

From Our Correspondent

MAIJDEE, COURT, Feb. 8:-

Noakhali High School and Maijdee Girls Academy are beset with multifarious problems including shortage of teachers, accommodation, absence of common room, library and playground.

The education of students of the institutions are badly hampered due to shortage of teachers. The number of teachers is quite insufficient. The results of SSC Examinations are bad which do not exceed 20 per cent. The number of students is decreasing.

There are no libraries in the schools. The schools have no playground.

The members of the Managing Committee of the institutions are not taking any initiative to develop the schools and the structural base of the institutions, it is alleged.

### Students' union election

The election of the students' union of Noakhali Government University College was held here

on February 1.

Sayakanti Bhulu and Nazrul Islam of Bangladesh Students League (group A) were elected vice-president and General Secretary respectively of the union.

It may be mentioned here that Chhatra Dal, Islami Chhatra Shibir and other students organisations boycotted the election and three groups of Bangladesh Students League participated in the election.

### Railway line

The people of Noakhali district including the people of a vast area of coastal belt of Noakhali demanded extension of Railway line upto Char Jabbar from its existing station of Noakhali Railway Station.

The extension of 20-km long railway line will facilitate thousands of people of a vast area including Hatiya thana people to improve the communication and develop the business facility.
