Tk 1.09 crore education uplift work at Pabna

Our Correspondent
PABNA: Development works of government educational institutions at a cost of Tk. 1,08,79,800 are in progress in Pabna district under the development programme of the Ministry of Education during the year 1988-89.

According to an official source, a sum of Tk. 18,33,000 is being spent for the construction of Principal's quarter and academic buildings for Pabna Girls' College and Tk. 15,27,000 for the construction of two storied classroom buildings for Shaheed Bulbul College in Pabna town.

The repair and renovation works for the existing buildings of Pabna Zilla School, Pabna Girls' High School and Pabna Commercial Institute are going on at an estimated cost of Tk. 7,19,800.

A total amount of Tk. 65,00,000 has been earmarked for the construction of new buildings for 26 government primary schools in 9 upazilas of the district. Of the total, Tk. 3,40,000 has been allotted for the building construction for each of the school under which the construction of four schools in Chatmohor upazila, three each in Pabna Sadar, Bhanganura, Sujanagar, Bera, Santhia, Ishurd and Faridpur upazilas and one in Atghoria upazila is underway.

The development work of all these government educational institutions are likely to be completed by May, 1989.
