### SSC comp exam results

By A Staff Reporter

Results of the SSC compartmental examination held under Dhaka Board on January 11 was announced on Wednesday.

According to a Dhaka Board Press release, 318 students appeared at the compartmental examination and 281 of them came out successful showing a percentage of success at 88.92.

Students passed in the compartmental examination would be qualified to get admission into HSC class (11th class) by February 22 without late fee. Those interested to appear the improvement examination will have to fill up the forms by February 15.

The disqualified candidates may also appear the next SSC examination after filling up forms by February 15 without late fee.
