KURIGRAM, Aug. 27:—The number of students in five classes of a Dakhil Madrasha in Kurigram Sadar upazila is 14 and the number of teachers is 13, it is learnt.

Kamat Angaria Dakhil Madrasha is situated only two miles away from the Sador upazila parishad. The Madrasha building was almost damaged. The madrasha building has no doors, no windows, no benches, no chairs, no tables and teaching appliances.

The official records, files and other papers are kept in the house of Superintendent Mr. Abdul Jalil, the teachers attend the Madrasha by turn.

The students come to the Madrasha at their sweet will. The result of the Dhakil final examination is nil every year. But the withdrawal of government contribution towards salary of the staff and other government grants if and when sanctioned is regular.
