Samanta to study computer engineering

Staff Correspondent

Samanta Islam topped the list of the successful candidates in the combined merit list of the Dhaka Board securing 868 marks in the S S C examinations held this year. She appeared from Viqarun Nessa Noon School under Dhaka Board and secured letter marks in six subjects.

Daughter of Mohammad Nazrul Islam, an Executive Engineer of Power Development Board, she hail from the village Akhanagar in Thakurgaon district.

when I accompanied by our staff photographer visited their residence at Ramna Housing Estate at Shantinagar on Thursday, she said she was confident of good results in the examination.

Witty and soft spoken Samanta had also brilliant results in her school examinations.

Encouraged by her parents, school teachers, she devoted herself to 12 hours studies per day till the final examination. Her mother Mrs. Meera Islam, a house wife told us that she

The total number of expelled candidates under boards were 21,676 this year as against 14,411 last year.

Meanwhile, Mr. Mansur Ali Sarker, Adviser in charge of Compulsory Primary Education addressing a Press conference at the Shikhya Bhavan formally announced the SSC results on the day. Explaining the poor per-

centage of pass compared to the previous years, the adviser said that the Government effectively curbed adoption of unfair means in the examinations. Moreover, the Government is attaching more importance to the improvement of quality instead of quantity, he said. The adoption of unfair means in examinations will be crushed effectively in future, he asserted. In all 44 invigilators who was expelled on charge of involvement in enabling candidates adopting unfair means will face dismissal from services, the adviser said. Education Secretary A.N.M. Yusuf, and Dr. M. Mozammel Huq, Chairman of Dhaka Board were present at the press conference.
