122 B.A. examinees expelled, centre cancelled

From Our Correspondent

GAIBANDHA, June 29:—One hundred twenty two Degree examinees were expelled for adopting unfairmeans in the examination out of 4427 candidates from different examination centres. Only 201 examinees were absent.

A strong resentment has been prevailing among the guardians and elite of Gaibandha district for withdrawal of degree centre from Sadullapur College. Mr. Abdur Razzaque, Deputy Commissioner, Gaibandha told this correspondent that the matter had been referred to the University authority for restoration of the degree centre.

Sources further disclosed that the decision was unjustified as the Gobindagonj and other colleges were also accused of the same ground which have regained the degree centres.
