Bombs hurled at Eden Girls College hostel

Vice President of Eden University Girls College Students Union Helen Zarin Khan and General Secretary Simon Begum in a statement Thursday alleged that a group of young men hurled some handbombs at the old hostel of the college on Tuesday night, reports BSS.

According to a press release of the Union, the college authority decided to vacate the hostel following the attack.

The students leaders further alleged that the leaders and workers of the Jatiyatabadi Chhatra Dal were earlier subjected to indecent behavior by a group of youngmen when they were returning from the BNP rally at Manik Mia Avenue.

The leaders in their statement claimed a particular quarter engaged in creating disunity among the nationalist forces were responsible for the incidents. They condemned the incident of bomb throwing on the hostel and demand punishment to the culprits.

They also urged the students to remain loyal to the leadership of the BNP Chairperson Begum Khaleda Zia.
