Degree examinees go on rampage at NU

15

GAZIPUR, Aug 1: Several hundred degree examinees who did not get the results today damaged vehicles and ransacked offices at the administrative building of the National University, reports UNB.

They also put up barricade on Dhaka-Gazipur road disrupting traffic.

The results were announced Saturday but the examinees outside Dhaka did not get the result sheets in their respective colleges, it was alleged.

Gazipur district administration brought the situation under control with assurance of providing the result sheets to the students.

The National University sources said the result sheets were sent to all the colleges on Saturday.

A press release of the University said the results withheld on various grounds would be announced on August 20.

The examinees failed in one subject would be given chance to sit for examination in that subject next year.
