Principal assaulted by students

Our Correspondent

THAKURGAON, Nov. 20.—The Principal of Ranisankail Degree College was physically assaulted by a group of students of the college on Wednesday.

A group of students who are appearing at the next degree examination, asked the Principal to allow them to pay the arrear fees before filling in the form. The Principal exempting their dues asked them to pay Taka 700 each. At this the students began to press hard for further exemption and when the Principal expressed his inability the students did not hesitate to assault him in his chamber in the presence of his colleagues.

A case has been registered with Ranisankail police.
