

First Lady Begum Raushan Ershad visits Motijheel Government Girls' School on Monday.

Students urged to pursuit knowledge

First Lady Begum Raushan Ershad on Monday called upon the students to devote themselves to the pursuit of knowledge to build themselves up for a bright and prosperous future of the nation, reports BSS.

She was talking to the students of Motijheel Government Girls' High School during her surprise visit to the institution.

During her visit she met the students of each of the classes to apprise herself of the standard of teaching in the School. She also enquired about the problems faced by them during their academic life and their requirements.

The students were moved to

see the First Lady among them and informed her that they needed sports equipment including badminton and table tennis sets and expansion of other facilities for indoor and cultural activities. Begum Ershad assured them that they would be provided with these amenities as early as possible.

The first Lady saw for herself the site for the proposed auditorium of the School and assured that necessary steps would be taken in this regard.
