Govt have to bear Tk 26 cr for DA allowance

By A Staff Reporter

The government will have to bear an additional expenditure of Tk 26 crore when it pays dearness allowance at the rate of 10 per cent of basic salaries to the teachers of non-government colleges, schools and madrashas from July 1 next, Education Minister Sheikh Shahidul Islam told the Times on Wednesday night. The Minister said that the financial involvement of the government would be Tk seven crore when the class three and class four employees of non-

government colleges, schools and madrashahs were brought under the National Pay Scale from July next.

President Hussain Muhammad Ershad, while inaugurating the grand conference of the teachers at Bijoy Sarani on Wednesday announced these benefits for the teachers and employees of the non-government colleges, schools and madrashahs.

The Education Minister said that the teachers and employees of the government educational institutions would get the benefits on the basis of the recommendations of the National Pay Commission already formed by the government. The commission would submit its reports within a year.
