## The Bangladesh Times

### Workshop on manpower begins

The five-day workshop on "development of low cost computer-based labour market information system" began at the Bangladesh Management Development centre in Dhaka Sunday, reports BSS.

Jointly organised by the Ministry of Labour and Manpower, International Labour Organisation (ILO) and the UNDP, the opening ceremony was presided over by Mr Fasiul Alam Khan, Joint Secretary of Manpower, while Mr Manzurul Karim, Secretary of the Ministry of Labour and Manpower attended it as the chief guest.

Twenty four participants from various ministries and departments are taking part in the workshop.

Improvement of national labour market informations system to facilitate employment, labour and manpower policies and development of low cost computer-based system for storing processing and disseminating relevant information are the main objectives of the workshop.
