Indian scientists' team calls on Eunus

A four-member delegation of Indian Council for Scientific and Industrial Research called on State Minister for Education Principal Mohammad Eunus Khan at the latter's office in Dhaka on Monday, says BSS.

The members of the delegation apprised the State Minister of the progress made in India in the field of scientific and industrial research and showed keen interest in promoting bilateral cooperation between Bangladesh and India in this field.

The State Minister exchanged ideas with the Indian scientists and laid emphasis on increased cooperation of SAARC countries for scientific and technological development in the days ahead. He pointed out that the present democratic government had given due importance to this sector for achieving development.

The members of the delegation Dr. B.K. Sarker, Dr. P.V Sane, Dr. Rajendra Proshan and Dr. S.R. Bowmik, Chairman of BCSIR, Dr. Waliuzzaman and Counsellor of Indian High Commission in Dhaka Mrs. S. Tripathi were present.

The delegation members would visit BCSIR centres at Rajshahi and Chittagong and exchanged views with the scientists of BCSIR. They are expected to sign an agreement on scientific and industrial research with BCSIR, Dhaka.

The delegation on Monday also called on Dr. M. Waliuzzaman, Chairman, Bangladesh Council of Scientific and Industrial Research.
