BCS prel test result

A total of 18,595 candidates came out successful in the 15th BCS (1993-94) preliminary test, reports UNB.

An official handout said the candidates who were selected temporarily have been asked to appear for the written test.

The written test is expected to be held in March 1994. Details timetable of the written test will be announced through newspaper advertisement in due time, the handout said.

Admit cards for the written test will be sent in phases through postal service to the candidates in due time.
