

Gunshots rock DU campus

DU Correspondent

Three rounds of gunshots were fired yesterday (Sunday) evening in front of the gates of Rokeya Hall and Surya Sen Hall of Dhaka University.

None however was injured but the circles responsible for gunshots could not be identified. Moreover no classes could be held in the university due to hartal called by Awami League in protest against police attack on its rally at Bangabandhu Avenue Friday.

Students also did not turn up in the campus and most of the resident students of halls passed the day in chats and gossips with friends but the pro-AL BCL students were possibly busy ensuring a successful hartal elsewhere in the city.
