Make "Food for Education" a success : Saifur

MOULVI BAZAR, Aug. 15: Finance Minister M Saifur Rahman has said that it is the duty of the government to lay paramount importance on the child education, reports BSS.

He said it is our collective responsibility to groom up the children as the future leaders of the nation by nurturing their inherent talent and potentials.

The Minister was addressing a gathering of children organised by the Zia Shishu Kishore Sanghathan at the Zia Primary School ground here on Saturday. Secretary of the Sanghathan Ruhel Rahman also spoke on the occasion.

Mr. Rahman urged the guardians to cooperate with the government to make food for education drive a success. He said adding that basic education is the pre-requisite for the overall development of the nation.

Later, the Minister inaugurated the tree plantation programme of the Sanghathan by planting a sapling in the primary school ground.

He also inaugurated a pisciculture drive by releasing fish fry in Kowa dighee, haor in Rajnagar near the town in the morning.

Mr Rahman also addressed several public meetings at Kashimpur Katir Bazar Monumukh and Baliakandi under the district.
