### Home Economics in BOU's HSC programme

A one day workshop on preparation of reading materials in Home Economics for HSC programme of Bangladesh Open University was held in Dhaka on Monday, says a Press release.

Organized by BOU Open School, the workshop attended by over twenty people including teachers of different colleges and the Open University.

Inaugurating the workshop, the Vice-Chancellor Professor M. Aminul Islam called for co-operation of all to make BOU's efforts to educate the greater section of people deprived of education facilities a success.

He said the BOU has included Home Economics in its HSC programme for the benefit of women learners.

Presided over by the Dean of Open School, Professor Mostafizur Rahman, the function was also addressed by Associate Professor Ansaruzzaman.
