Mathematical Physics conference December 17

CHITTAGONG: The Second Chittagong Conference on Mathematical Physics will be held at the University of Chittagong on December 17-19. The first one was held during January 8-10, 1986, when Professor Abdus Salam was present. Professor M.A. Jaswon, Professor R.G. Moorhouse, Dr G.C. Wraith from UK, Professor J.B. Narlikar, Professor C.K. Majumdar from India and Dr A. Qadir from Pakistan are expected to address the conference, which will be inaugurated by Professor Alamgir Muhammad Serajuddin, Vice-Chancellor of Chittagong University.

The convener of the conference is Professor Jamal Nazrul Islam, Director of the Research Centre for Mathematical and Physical Sciences, Chittagong University. The sponsors of the conference are the University of Chittagong, Science and Technology Division, Government of Bangladesh, International Centre for Theoretical Physics, Italy, and the International Union of

Pure and Applied Physics.

There will also be a workshop on "The foundations of Mathematics and its relevance for computers and Philosophy" under the auspices of the Research Centre for Mathematical and Physical Sciences, Chittagong University, with support from the Science and Technology Division, Government of Bangladesh, on December 20 and 21. Dr G.C. Wraith, of the University of Sussex, UK, among others, will address the workshop.
