LL. B. Examination Result

Sir, — The undersigned as a LL.B. (Pre) examinee would like to draw attention of the authority concerned to the fact that our LL. B. Examination was held on the 14th October, 1978. To the best of our knowledge about 2,000 students sat for the examination under the University of Dacca. Since then 7 months have passed but the result has not yet been published. The examinees have been eagerly awaiting the result.

Secondly, an LL.B. examinee has to work under a senior Advocate for some time and has to appear at the examination of the advocateship conducted by the Bangladesh Bar Council each year. This year the examinees of Dacca University failed to appear at the said examination due to non publication of the results.

Therefore, another year is needed for them for advocateship.

In the circumstances, we request the authority concerned to publish the LL. B. results as early as possible. — Yours etc. MD. ABDUS SAMAD, Dacca.
