✓Total deadlock in CU academic life

CU Correspondent

CHITTAGONG, Jan 19:—
There has been total deadlock in
the academic life of about 16000
students in Chittagong Uni-
versity since its opening on
Sunday January 10.

Chittagong University was re-
opened after about a month-long
Ramjan and Eid vacation.

The academic life on the cam-
pus became paralysed following
the enforcement of siege to the
University Main Gate by the
supporters of Islami Chhatra
Shibir on the very first of its re-
opening in protest against the
killing of two Shibir supporters
allegedly by the members of Pro-
AL Chhatra League some days
back.

The Shibir men also got the
plying of shuttle trains from the
city for carrying of students also
halted by abducting the engine
driver at gun-point. The Shibir
and Chhatra League supporters
also traded heavy gun shots on
last Monday night resulting in
injuries to some students. The
Shibirites are also alleged to
have looted about 2000 forms of
admission seekers of next aca-
demic session.

The university authority has
set up a committee to deal with
the situation and to hammer out
a solution to the problem after
discussions with the leaders of
student bodies concerned.
