the university campus says a DMP Press release.

The Detective Branch of Dhaka Metropolitan Police recovered stolen electric wire weighing about 81 maunds and valued about Taka two lakh from a steel workshop at Tejgaon area in the city on Saturday midnight. One Jamal, an employee of the workshop, was arrested in this connection.

According to police, the proprietor of the workshop and one of his business partner jointly had long been using the stolen electric wires and telephone wires to produce nail-wires, says a DMP Press release.
