DU Syndicate urges V-C to deploy police on campus

The Syndicate of Dhaka University on Saturday requested the Vice Chancellor to arrange full-time strict police guard on the campus, a University Press release said Saturday night, reports BSS.

The syndicate also requested the Vice Chancellor to organise a meeting of the Syndicate and student's representatives on law and order.

The requests were made after threadbare discussions on the overall situation on the campus at a meeting of the Syndicate held Saturday with Vice Chancellor Prof. Mohammad Moniruzzaman Meah in the chair.

Prof. Moniruzzaman informed the Syndicate that majority of the students had left the residential halls due to autumn vacation. He said the law and order situation on the campus had considerably improved. He, however, informed the Syndicate that DUCSU member Rafiqul Islam had sent a written to him complaining that he was threatened with arms by some one.
