Barrister Mainul Hossain in his speech called upon the students to show respect to the democratic norms and values and help maintain friendly ties with the student organisations. He also urged them to play important roles for the greater interest of the country and the nation.

Prof. M. Maniruzzaman Miah in his address called upon the DUCSU leaders to enhance the extra academic activities to strengthen the teacher-student relationship and help full growth of personalities. The DUCSU and hall union leaders will suggest a programme following discussion with the committee.

The Vice-Chancellor expressed deep sorrow by saying that some quarters were trying to tarnish the image of the university to satisfy their own desires. He urged them to go to the university and see its overall academic development, before doing such harms.

Seven Dhaka University students were injured in a pandemonium following three rounds of blank shots near the pandal of DUCSU's installation at the TSC road island at about 6.45 pm on Wednesday.

The panick stricken audience including the girl students were found running helter-skelter for safety. The cultural function was suspended for about half an hour.
