DU VC praises students for movement

Vice Chancellor Prof M. Muniruzzaman Miah on Monday praised the student community for spearheading the anti-autocracy movement and urged them to be ever ready to put in their services for the welfare of the nation, reports UNB.

The Vice Chancellor was inaugurating a discussion meet on the occasion of the 20th Victory Day at the TSC in Dhaka University campus Monday afternoon.

Literary section of Dhaka University Central Students Union (DUCSU) organised the three-day programme.

"Country's students traditionally have made supreme sacrifices by laying down their lives during the need of the hour," Prof. Miah said adding that "In 1971, we fought for our independence while during the current year we had to fight again for democracy."

Prof. Sirajul Islam Chowdhury, Prof. Anisuzzaman, Prof. Abul Kalam, BFUJ leader Amanullah Kabir and DUCSU Literary Secretary Niamat Elahi took part in the discussion.
