NO classes held in DU

By ur DU Correspondent

No classes of Dhaka University were held on Wednesday in response to a country-wide student called by the Ganotantrik Chhatra Oikya (ACO) in protest against the killing of its leader Nur Hosain Raju.

GCO gave the strike call on Saturday as a part of its three-day action programmes.

Raju, a leader of Bangladesh Chhatra Union (BCU) and a third year student of Soil Science Department of Dhaka University was killed in a fierce gun battle between the activists of pro-Awami Chhatra League (A-A) and Jatiyatabadi Chhatra Dal (JCD) student wing of BNP on the Dhaka University campus on Friday afternoon.

Earlier, GCO brought out a procession and held a rally demanding immediate arrest and trial of the persons responsible for

Raju's killing.

Organised in front of the Jatiya Press Club, the rally was addressed by GCO leaders Abdus Satter Khan and Belal Chowdhury.

Speakers at the rally termed the killing as a conspiracy to foil the democratic movement of the student community of the country.

The GCO leaders blamed the government for sheltering anti-liberation forces which caused the killing of Pitu, a leader of GCO on the Rajshahi University campus.

GCO leaders announced a two-day action programme in protest against the killing of Pitu. The programme includes observance of protest day on Thursday and mouraine day on Saturday.
