## Utility of varsity teachers may be questioned: DU VC

Dhaka University Vice Chancellor Prof M Maniruzzaman Miah on Monday apprehended that the utility of university teachers might be questioned if they did not discharge their responsibilities, reports UNB.

Miah expressed the apprehension at the inaugural session of a symposium on "Renewable Energy research in Dhaka University" he addressed as chief guest at the seminar room of Physics Department.

The VC said renewable energy research is an emergency need in a poor country like Bangladesh. "We must carry out such research in the greater interest of the country," he added.

The inaugural session was also addressed by Prof MAM

Muntasam Hossain and Director of the university's Renewable Energy Research Centre Prof Mohammad Ibrahim.

Prof M Maniruzzaman Miah Monday sought cooperation from everybody for removing all kinds of jams.

He said the university was now beset with jams in all activities, including those for award giving and blue distribution.

The VC was addressing as the chief guest a function of Blue giving ceremony among the famed players of DU at its Senate auditorium.

A total of 17 renowned players of 1980-81 to 1984-85 sessions were awarded the Dhaka University Blue.

The VC hoped that the students will show their extra or-

dinary performance in sports, literary and cultural field beside their studies.

Presided over by Pro-Vice Chancellor Dr Wakil Ahmed, the function was addressed among others, by Director of DU Physical Training Centre AHM Mostafa and DUCSU Sports Secretary and famed skipper Syeed Hasan Kapon.
