Varsity Correspondent

The Jahangirnagar University Teachers' Association (JUTA) expressed concern over the violent incident in Dhaka University and said that assault of teachers at gun point, attack on offices of teachers and injuring of History Department teacher Dr Ratan Lal Chakraborty with bullet had hurt the people's sentiments.

JUTA President Prof. Abu Sayeed Khan and Secretary General Afsar Ahmed in a joint statement on Saturday condemned the violent incident of Dhaka University and said that country's education system would collapse if this situation continued.

They demanded punishment to those responsible for the violent incident at Dhaka University.

Jagannath Hall Students' Union Vice-President Subhash Singha Roy and acting General Secretary Sujit Roy Nandi in a statement on Saturday resented the attack on former House Tutor of the hall Dr Ratan Lal Chakraborty by Jatiyatabadi Chhatra Dal (JCD) and demanded punishment of the culprits.
