### DU 'Ka unit' admission test results

The result of 1994-95 session "Ka unit" (Science) admission test of Dhaka University has been published Saturday, reports UNB.

The detail result and the time table of Viva-voce of the unit have been hanged at the notice boards of the Science and Biological Science Department, said a press release.

The interview will be taken at the Biological Dean office from 9 am on June 6 according to merit list from 1 to 2500.

The interviewee have been asked to bring their admission test identity card, original marksheet of SSC and HSC examinations and two copies of passport size photographs.
