### DU students' call to ban MSS, FEMA

Some 102 students of Dhaka University urged the government and election commission to impose ban on the election related activities of Manabik Shahajya Sangstha (MSS) and Fair Election Monitoring Alliance (FEMA), reports UNB.

In a joint-statement, issued in Dhaka on Friday the signatories said FEMA has assumed a parallel role of the election commission.

They also expressed concern over the submission of a project proposal by MSS in the name of FEMA for government approval of a foreign fund of Taka 25 million.
